## **FOR IMMEDIATE RELEASE**

### **HIGH ISOLATION DC/DC CONVERTERS WITH RoHS**

**Wrentham, MA.** Power Sources Unlimited is pleased to announce the Tracopower TMV and TMV-EN Series' of miniature SIP dc/dc converters designed for applications such as medical or information technology with high isolation requirements.

The TMV and TMV-EN Series feature input voltages of 5VDC, 12VDC or 24VDC (TMV only) with 5VDC, 12VDC and 15VDC single or dual output voltages. The TMV-EN Series is rated for an input to output isolation of 3000VAC rms and has been tested for 1 second to 6000Vpk. The TMV Series is rated to 3000VDC input to output isolation.

Both Series' are rated for -40C to +85C operating temperature and are RoHS compliant. Efficiencies range from 67% typical to 77% typical depending upon the model. All models boast a high MTBF and have a three year warranty.

Pricing starts at \$7.00 each at 100 piece quantities. Download full specifications and procure parts on-line at <http://www.psui.com>. For sales or applications inquiries, please contact Power Sources Unlimited, toll free at 800-966-7784 or email [sales@psui.com](mailto:sales@psui.com).
