## **FOR IMMEDIATE RELEASE**

### **ULTRA MINATURE ENCAPSULATED AC/DC POWER MODULES**

**Wrentham, MA.** Power Sources Unlimited has introduced the Tracopower TMT Series of 15-30W AC/DC power supply modules that are fully compliant to the RoHS Directive. Universal (85-264VAC) input, safety class II and approvals to EN60950-1 and EN60601-1 standards qualify these modules for a wide variety of space critical applications in industrial, medical or OEM equipment.

Package/mounting styles available are PCB with solder pins, chassis mount with screw terminals and a DIN rail mount adaptor kit. These ultra miniature units measure only 2.17" x 1.77" x 0.95" for the 15W PCB models and 2.99" x 2.01" x 1.10" for the 30W PCB models.

An operating temperature of -25C to +50C (without derating) high efficiency, comprehensive protection circuitry, MTBF > 250K hours and a 3-year warranty permit confident use in any design.

Pricing begins at \$38.00 in 100 piece quantities. Download full specifications for the TMT Series and other Tracopower products and procure parts on-line at <http://www.psui.com>.

For sales or applications inquiries, please contact Sales at Power Sources Unlimited, toll free at 800-966-7784 or email us at [sales@psui.com](mailto:sales@psui.com).
