FOR IMMEDIATE RELEASE

SUPER-COMPACT 100 WATT, SINGLE OUTPUT AC/DC POWER SUPPLIES

Wrentham, MA Power Sources Unlimited announces the CFM101S Series of 100W super compact, open-frame, switching ac/dc power supply modules.

Measuring only 2.00 x 4.00 x 1.10 inches, the single output CFM101S Series has a universal 90-264Vac input, and output voltages of 12, 15, 20, 24 or 48Vdc. Units feature power factor correction (meets EN61000-3-2) and achieve efficiencies to 85%. Additional features are built in short circuit and over voltage protec-

tion along with convection cooled operation in ambient temperatures range from 0°C to +40°C.

Units are RoHS compliant and have UL, cUL and TUV safety certifications and meets the conducted EMI requirements CISPR/FCC Class B. Pricing is in the low \$30's in OEM quantities and are in full production with deliveries from stock in 6-8 weeks.

Download full specifications and procure parts on-line at <http://www.psui.com>. For sales or applications inquiries, please contact Power Sources Unlimited, toll free at 800-966-PSUI (7784) (USA only) or 508-384-1419 or email sales@psui.com.
