FOR IMMEDIATE RELEASE

4:1 INPUT DC/DC CONVERTER PACKS 30W INTO SUPER COMPACT 2" X 1" SIZE

Wrentham, MA Power Sources Unlimited announces the Tracopower TEN30WIN Series of 30W, wide input DC/DC converters that are packaged in an ultra compact 2" x 1" shielded metal package with an industry standard pin configuration.

Input voltages ranges are either 9-36VDC or 18-75VDC. Twenty six standard models feature single, dual, or triple outputs with voltages ranging from 1.5VDC to 15VDC.

The TEN30WIN Series is highly efficient and boasts an operating temperature of -40C to +75C (full power to +60C). Standard features include 1500VDC isolation, short circuit protection, overtemperature protection, undervoltage lockout, remote on/off, and adjustable output voltages. Worldwide safety approvals to EN60950-1 standards, coupled with a 3-year product warranty, make the TEN30WIN Series a confident choice for any higher power, yet space conscious, distributed power design.

OEM quantity pricing is a competitive \$39.50 each with delivery from stock to six weeks. Download full specifications and procure parts on-line at <http://www.psui.com>. For sales or technical inquiries, please contact Power Sources Unlimited, toll free at 800-966-7784 or email sales@psui.com.
