FOR IMMEDIATE RELEASE

HIGH ISOLATION SURFACE MOUNT 2W DC/DC CONVERTER

Wrentham, MA Power Sources Unlimited announces the TES-2M Series of 2 Watt, high isolation, DC/DC converters that are packaged in an ultra compact, surface mount package measuring only 0.54" x 0.94" x 0.30". The design is qualified for lead free reflow solder process according IPC-J-STD-020C.

Input voltages are 5VDC, 12VDC, or 24VDC. Standard models feature single or dual outputs of 5VDC, 12VDC, 15VDC, +/-12VDC, or +/-15VDC.

Perfect for high isolation medical or industrial applications, the TES-2M features I/O isolation of 4000VDC. The reinforced isolation is rated for working voltages up to 300VAC. Units have short circuit protection and are rated for -25C to +71C operating temperatures. Worldwide safety approvals to both EN60950-1 and EN60601-1 standards, coupled with a 3-year product warranty, make the TES-2M Series a confident choice for any design where high isolation is necessary.

OEM quantity pricing starts at only \$12.86 each. Download full specifications and procure parts on-line at <http://www.psui.com>. For sales or applications inquiries, please contact Power Sources Unlimited, toll free at 800-966-7784 or email sales@psui.com.
