FOR IMMEDIATE RELEASE
POWER SOURCES UNLIMITED FEATURES ULTRA COMPACT
150WATT DESKTOP SWITCHER

Responding to the demand for higher power portable applications, Power Sources Unlimited is pleased to announce the PUP150 Series of desktop ac/dc power supplies, which boasts 150W of power in a compact 6.73" x 2.85" x 1.57" package.

The PUP150 Series has a power factor corrected, 90-264VAC input, and offers fully regulated, single output models ranging from 12VDC to 24VDC. Standby power consumption is less than 1W.

Achieved efficiency is 88% minimum, allowing the unit to operate without a cooling fan, ensuring quiet operation and high reliability. The operating temperature is 0C to +40C. No minimum load is required and units boast 5% total regulation. Ripple and noise is specified at 380mV peak-to-peak maximum and units feature comprehensive protection circuitry.

Units are RoHS compliant, and are approved to worldwide 60950 safety standards and Class B radiated and conducted EMI performance.

Pricing starts at \$51.00 in OEM quantities, with delivery from stock to 8 weeks ARO. Full specifications and online procurement is available at <http://www.psui.com>, or contact us at 800-966-7784, sales@psui.com.
