FOR IMMEDIATE RELEASE

POWER SOURCES UNLIMITED FEATURES COTEK ELECTRONICS 600W-800W AC/DC POWER SUPPLIES

Power Sources Unlimited, a technical distributor of power supplies and related products, announces the Cotek Electronics 600S-P Series and 800S-P Series of AC/DC switching power supplies which are suitable for use in a variety of general industrial applications and for powering broadcast, process control and test systems.

The power supplies provide either 600W or 800W of single output voltages ranging from 5VDC to 60VDC from a power factor corrected 100-240VAC input in a compact 11.42" x 4.72" x 2.66" package.

Forced current sharing is a standard feature for parallel operation. Other features are a power failure signal, remote sense and remote on/off. Comprehensive protection is provided for short circuit, overvoltage, overtemperature and overload conditions.

Units are safety certified to UL, cUL and TUV standards and offer a 2 year warranty. Pricing starts from \$310.76 for the 600S-P models and \$395.22 for the 800S-P models.

For sales or applications inquiries, please contact Power Sources Unlimited at 800-966-7784, email to sales@psui.com or visit www.psui.com.
