FOR IMMEDIATE RELEASE

POWER SOURCES UNLIMITED ANNOUNCES AGREEMENT TO HANDLE MAGTECH'S LED DRIVERS AND LED POWER SUPPLIES

Wrentham, MA Power Sources Unlimited, a technical distributor of power supplies and related products, has entered into an agreement with Magtech Industries Corporation to distribute their line of LED Power Supplies, LED Drivers and LED Dimming Solutions to the North American market.

Founded in 1989 Magtech Industries Corporation is a US based company that is headquartered in 20,000- sq. ft. facility in Las Vegas, Nevada. Their highly talented and skilled production team is dedicated to the design and manufacture of high-quality LED Power Supplies, LED Drivers and LED Dimming Solutions.

The Power Sources Unlimited website, www.psui.com, now provides engineering professionals with technical datasheets for Magtech's highly-efficient LED lighting power supplies, drivers and dimming solutions which are designed for general LED lighting applications such as channel letters, architecture lighting, decorative lighting, accent lighting, street lighting, landscape lighting, refrigeration lighting, transportation safety and many other lighting applications where LED is being used. The website also features secure on-line purchase of the Magtech line.

For sales or applications inquiries, please contact Power Sources Unlimited, toll free at 800-966-PSUI (7784) (USA only) or 508-384-1419 or email sales@psui.com.
