FOR IMMEDIATE RELEASE

HIGH PERFORMANCE, LEAD FREE 40W DC/DC CONVERTER

Wrentham, MA. Power Sources Unlimited has introduced the Cincon EC7C Series of 40W DC/DC converters that are fully compliant to the RoHS Directive. An ultra wide 2:1 input allows operation in a variety of mobile, battery powered or DC Power System applications. Units deliver tightly regulated, adjustable single outputs in a compact, industry standard 2" x 2" x 0.4" six-sided shielded metal package.

Highly efficient (up to 90%), the EC7C Series features a fix 350KHZ switching frequency all allows for operating temperatures up to +85C, with derating. Additional features include remote on/off, remote sense and comprehensive protection circuitry including output overvoltage protection.

Budgetary pricing begins at \$58.00 in 100 piece quantities. Download full specifications for the EC7C Series and other Cincon dc/dc converters and procure parts on-line at <http://www.psui.com>.

For sales or applications inquiries, please contact Sales at Power Sources Unlimited, toll free at 800-966-7784 or email us at sales@psui.com.
