FOR IMMEDIATE RELEASE

POWER SOURCES UNLIMITED FEATURES CFM100 FAMILY OF SWITCHING POWER SUPPLIES

Power Sources Unlimited (Wrentham, MA), a technical distributor of power supplies and power related products, announces the Cincon CFM100 Series of compact, open frame, 100W AC/DC switching power supplies.

Measuring only 3.00 x 5.00 x 1.20 inches, the single output CFM100 Series has a universal 90-264VAC input, and output voltages of 5, 9, 12, 15, 18, 24 or 48VDC. Units feature power factor correction and achieve efficiencies to 85%. Additional features are built in short circuit and over voltage protection along with convection cooled operation in ambient temperatures from 0-40C.

The CFM100 has UL, cUL and TUV safety certification and meets the conducted EMI requirements CISPR/FCC Class B. Pricing is \$48.95 for low quantity and units are available from stock at Power Sources Unlimited. Contact PSUI at 800-966-7784 or at www.psui.com.
