FOR IMMEDIATE RELEASE

HIGH PERFORMANCE, 15 WATT DC/DC CONVERTERS IN A 1"X1" METAL PACKAGE

Wrentham, MA. Power Sources Unlimited adds to their high performance dc/dc converter offering with the Tracopower THN-15 and THN-15WI Series' of 15 Watt modules. These converters feature either a 2:1 input or a 4:1 input with tightly regulated, isolated, adjustable, single outputs of 3.3VDC, 5VDC, 12VDC, or 15VDC.

The THN-15 Series boasts the industry's highest density for a 15W converter, using only 1" x 1" of board space in a six sided metal case with an insulated baseplate. Ultra high efficiencies, up to 88%, allow for a wide operating temperature of -40C to +75C, with derating after 60C.

Standard features are remote on/off, 2250VDC input-to-output isolation, and comprehensive protection circuitry.

The THN-15 Series is RoHS compliant, has a high MTBF, and a three year warranty. Filtering meets EN55022 Class A and FCC Level A. Worldwide safety approvals are to 60950-1 standards.

OEM quantity pricing starts at \$23.00, FOB Massachusetts, for the 2:1 input models. Delivery is from stock to 6 weeks. Download full specifications and procure parts on-line at <http://www.psui.com>. For sales or applications inquiries, please contact Power Sources Unlimited, toll free at 800-966-7784 or email sales@psui.com.
