FOR IMMEDIATE RELEASE

POWER SOURCES UNLIMITED FEATURES CFM05 FAMILY OF SWITCHING POWER SUPPLIES

Power Sources Unlimited (Wrentham, MA), a technical distributor of power supplies and power related products, has announced the Cincon CFM05 Series of low cost, compact, open frame, 5W AC/DC switching power supplies.

With a tiny footprint of only 55mm x 35mm x 20mm (2.17" x 1.38" x 0.78"), the CFM05 Series has a universal 85-264VAC input and offers single outputs from 3.3VDC to 24VDC. The units have 0.5% line regulation and 1% load regulation from 10% load to full load and efficiencies are typically 77%. Additional features are built in short circuit protection and convection cooled operation in ambient temperatures from 0-40C.

The CFM05 has UL, cUL and TUV safety certification and meets the conducted EMI requirements CISPR/FCC Class B. Pricing is \$15.11 for low quantity with delivery ranging from stock to 6 weeks ARO. Contact PSUI at 800-966-7784 or visit us at www.psui.com.
