FOR IMMEDIATE RELEASE

COMPACT AND ENERGY STAR COMPLIANT 45W DESKTOP POWER SUPPLIES

Wrentham, MA Power Sources Unlimited announces the TRG45 Series of external power supplies, which meet Level IV global energy requirements of the California Energy Commission and are Energy Star compliant. Perfect for the demands of today's compact and lightweight portable

equipment, the high density design of the TRG45 packs 45W of power into a slim 4.72" x 2.05" x 1.22" package.

The TRG45 Series features a universal 90-264VAC input with a C14 type inlet, and offers fully regulated, single output models ranging from 12VDC to 48VDC. Standby power consumption is less than 0.5W and efficiency is an impressive 85% typical.

The operating temperature is 0C to +40C, with derated power through +60C. Ripple and noise is specified at 1% peak-to-peak maximum and units feature continuous short circuit protection circuitry.

Units are RoHS compliant, and are approved to worldwide EN60950 safety standards, and provide Class B radiated and conducted EMI performance.

The TRG45 is competitively priced at less than \$20.00 for OEM quantities, with delivery from stock to 8 weeks ARO. Full specifications and online procurement is available at <http://www.psui.com>, or contact us at 800-966-7784, sales@psui.com.
